

MEMORANDUM  
OF UNDERSTANDING

between

Zaporizhzhia National University  
Universytetska, 66, 69011 Zaporizhzhia, Ukraine  
and  
Technische Universität Bergakademie Freiberg  
Akademiestraße 6, 09599 Freiberg, Germany

§ 1

The following MoU based on a mutual interest and an active dialogue and will be the basis for a long-standing and trustful cooperation of the two universities. Specific details of any activity between the universities shall be set forth in a bilateral Supplemental Letter of Agreement. If both universities manifest their further interest, this MoU can result in a separate cooperation contract between the universities.

§ 2

The objectives of this MoU shall include, but not be limited to the following:

1. the organization of joint academic and scientific activities;
2. the exchange of academic staff for lectures, conferences and research;
3. the exchange of students for courses and specialized programs, and
4. the exchange of publications and other materials of common interest.

§ 3

The cooperating partners shall apply to the national governments or other suitable institutions for funding to support their collaborative activities.

§ 4

Both universities nominate a representative for the further negotiations.

At Zaporizhzhia National University the coordinator Associate Professor of Department of Metallurgical Technologies, Ecology and Technogenic Safety Oleksandr Kharchenko.

At Technical University Bergakademie Freiberg the coordinator is Prof. Olena Volkova Director of the Institute for Iron and Steel Technology.

§ 5

This MoU shall become effective on the date that it is signed by the representatives of both universities. However, it does not constitute legal responsibilities or obligations. It shall be valid for a period of three years, but may be renewed or extended by mutual consent. This MoU may be terminated by either partner with six months' prior notice in written form.
